

Recommended Courses of Study

2017

The University of Notre Dame Australia does not stipulate the completion of prerequisite courses of study for its courses. However, the following courses of study are recommended. At the University we recommend that ATAR courses be taken in Year 12 for direct entry into Undergraduate studies.

English Language Competency

Students must achieve a pass grade (a scaled score of at least 50%) in ATAR English or ATAR Literature (or ATAR EALD in the case of approved students) to be considered for an undergraduate place at The University of Notre Dame Australia.
