## MATHS TALENT QUEST

Are you looking for a challenge for your 'successful' mathematics students?

Are you wanting to capture the imagination of the 'creative' students within your classroom?

Are you looking for a classroom experience that equips students with various problem solving strategies and enables them to discover the practical applications of mathematics?

The 2020 Maths Talent Quest may be the ideal challenge for your students.

By attending a MAWA information session you will learn strategies you can use to successfully run Math Talent Quest in your school. You will be given the opportunity to see previous students' work and share ideas with colleagues.

### AIMS OF THE MATHS TALENT QUEST:

- Promote Mathematics
- Foster Positive Attitudes
- Authentic STEM tasks
- Have Fun
- Capture Imaginations
- Receive Recognition
- Explore New Concepts
- General Capabilities Focus

- ENTRY IS OPEN TO INDIVIDUAL, GROUP OR CLASS ENTRIES FROM K – 12.
- EASY TO IMPLEMENT AS A PART OF A TERM TWO MATHEMATICS PROGRAM.
- SIMPLE ASSESSMENT RUBRIC THAT CAN BE USED TO VALIDATE SCHOOL BASED JUDGEMENTS.
